

CCMS Student Led Conferences

Spring 2023

Hello Panther Families,

It is time again for our schoolwide student led conferences. We are so excited to get to meet together in person this spring for our conferences. If you are new to Claggett, we use student-led conferences, which means that your student will be leading their conference and sharing all that they are learning and all the hard work that they have done so far this year.

There are few reasons that we have chosen to conduct our conferences as student-led conferences. The main reason is that it helps students to see that they are in charge of their own learning, we call this student agency. They get to share their strengths and weaknesses, and they get to reflect on where they are and the goals they have for the future. We also use student-led conferences because we want to teach students how to navigate conversations with their caretakers and teachers around their learning. This is an important skill that they will take with them as they head into high school and eventually post-secondary education.

This year our schedule will include time for you to meet with your student in their advisory classroom. This will be scheduled for a 30 minute time block. If you have an urgent need to meet with a teacher other than the advisory teacher, we have built in a short time for you to drop into that teacher’s classroom. If you have multiple students at Claggett you are welcome to block their conferences together so that you do not have to be at school for an extended period of time.

Please fill out the information below and return it to your student’s advisory teacher no later than March 17th. Once conference times have been scheduled, you will receive a card from your child’s teacher with your time block.

We look forward to seeing you all soon!

CCMS Panther Staff

Student Name: _____ Advisory Teacher: _____
 Siblings at Claggett: _____ Advisory Teacher: _____

Please mark your first, second, and third choice in time.

Wednesday , March 22nd, 2023
